

Lessons in Africa are generally very formal and funds to provide for extra curricular activities are rarely available. Thanks to donations to the School Partners Fund youngsters at Kijjabwemi Primary School have been learning traditional dance complete with costumes and drums.

We witnessed first hand the joy this activity brought to the whole school during our visit to Uganda in June 2016.

**THANK
YOU**

**Please continue to
pray for:**

Funding to become available for repairs to the school building, particularly the roof.
