The church run schools with which we partner provide education for the poorest students who are unable to pay the fees required by government schools. However, the students are still required to provide their basic requirements .

Unfortunately providing an effective education in relatively remote areas of Rwanda and Uganda often requires more than just the basic materials.

- Hunger affects concentration and discipline in staff and students alike.
- A lack of reading and text books hinders education.
- Leaking roofs result in the disruption of lessons as students huddle in the driest corners waiting for the rain to stop.
- Commuting to work is not an option. Providing teaching staff with on-site accommodation is vital to maintain staffing levels.

CHI help to address all these issues but progress is only possible as a result of **YOUR** donations. **THANK YOU** for your support during 2017. We pray you will continue to support us in these endeavours during 2018

Our focus in 2018 is IMPROVING EDUCATION. Contact us for your free materials which we hope will make your fundraising fun.

SPONSORSHIP

Rinah

Juliet

For Rinah and Juliet the opportunity to remain in Education is not certain. The sponsors of these children recently withdrew from the project and, to date, new sponsors have not been found.

Would YOU consider sponsoring one of these girls for just £15 per month?

A time of Prayer and Worship was followed by a meal and the distribution of gifts of rice and sugar to the sponsored children in Gasabo as part of the Christmas celebrations funded by **YOUR** donations to CHI.

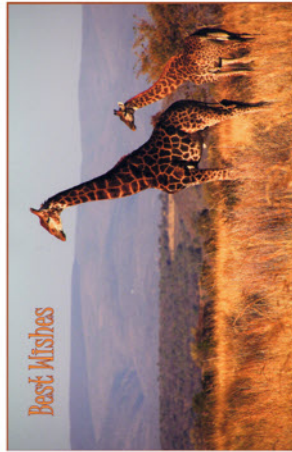

Fanny Iradukunda, one of the children, said:

"I am very happy to have received these precious gifts, I am going to share this rice and this sugar with my brothers and sisters, my little sister likes tea a lot. May God bless these parents"

If you would like to help bring HOPE to those in need, donate by Cheque payable to Christian Hope International, phone the office or visit our website - www.christianhope.org.uk
