

NEWS FROM UGANDA

With the country going into lockdown just 5 days after we arrived home from our 3 week visit to Uganda, we really have not been able to get together properly to discuss what we saw and future projects we wish to support. However, one was so very obvious while we there;

on both the Saturdays we visited the Kijjabwemi Saturday Project. Initially started by Patrick as extra support for the Ugandan sponsored children at the weekend to feed them both spiritually with bible study, hymns and prayer, and nutritionally with breakfast and lunch. It is a runaway success, and of course

with Patrick's huge heart, when other children come along, also in need of support, they are welcomed with open arms. This has meant that the funds are becoming depleted far quicker than previously. Having seen, first-hand, the importance of the Saturday Project, having seen the homes and worries the children escape from, having seen what a safe haven the project is, we at Christian Hope feel that this is an important youth outreach

project, and one that warrants support in its own capacity and with independent funding. Approximately 200 children attend the project on Saturdays - we have 141 sponsored children in Uganda!

We will be supporting this with regular funding to ensure no child is ever turned away. **Could you help us?** Regular or one-off donations would really enable us to ensure that this important outreach can continue to grow and the gospel can reach those who really need to hear it - the youngsters of Uganda.

IN OTHER NEWS ...

Just before Rwanda went into lockdown and whilst we were in Uganda we heard the very sad news that the church in Gasabo subparish had suffered substantial damage due to the early arrival of the rainy season. The church was midbuilt and without the roof fully in place the walls were vulnerable. The community have been responsible for building this church and so this is a huge blow to an area already under huge financial pressure. The extra problem of lockdown following so soon after this disaster will have compounded the devastation to the community. We ask you to join with us and pray for the people of the Gasabo subparish.

THANK YOU VERY MUCH

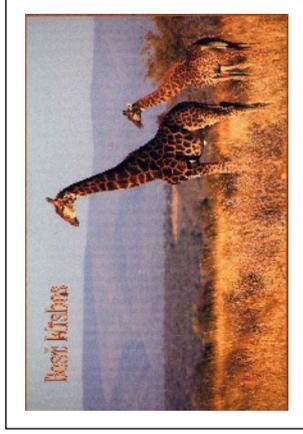

Your generosity has been overwhelming, we have sent £10,000 out to our partners in Uganda and Rwanda which has enabled them to distribute essentials such as soap, rice, oil, flour and maize to the very poorest in their community. We are praying that their lockdown will ease soon, and ask you to join us in this prayer.
