

EASTER FUN

The Easter Cup held in Kimwanyi Parish, Uganda was once again made possible through your donations. This sporting event organised by Rev. Patrick is a wonderful outreach in this parish, it attracts large numbers of people from the surrounding villages and youth teams compete in football and netball competitions for the trophy and the ultimate prize of a young bull. This year Kagganda were the overall winners and we imagine the celebrations and resulting feast went on long into the night.

CLOSER TO HOME.....

Fern Denyer our representative at St Nicholas Church, Elm Park, pictured here with her brother (a willing helper we're sure!!) once again organised an Easter Fair to raise funds for the work of CHI. Fern originally started this fund raising initiative in 2014 and it has now become an annual event.

A wonderful array of stalls, cakes and all things chocolate made for a very happy congregation and £500 raised for our work.

Thank you

Have you organised an event to raise awareness of, or funds for, the work of CHI?

If so let us know, send us a picture or two (by email please) and we will endeavour to include your event in a future update

PRAISE GOD FOR RAIN!!

As rain arrives in Kaleere, Uganda where so many were affected by the drought and, you may remember, rampaging Hippo's!!! 20 families lucky enough to have received water collection and storage equipment as a result of your donations are now more effectively able to grow their crops and provide for their domestic needs.

Many more families are waiting patiently.
