

TANKS A LOT!!

In Gisanga School, Rwanda the installation of a water tank brought the entire school out to celebrate.

Thanks to your donations to our **Safe Water** initiative three **water tanks** have been provided for this community at the church, school and head teachers house. This is phase one of a three phase parish project which will also see the provision of **Tools, Seeds and Livestock** to twenty families in need, the provision of **Books** for the school and **Bibles** for the church.

WHY NOT MAKE OUR SAFE WATER INITIATIVE YOUR 2017 HARVEST APPEAL OR TRY OUR 7 DAY CHALLENGE?
