

UPDATE - AUGUST '21

PLEASE PRAY WITH US

As the UK starts to open up with the relaxation of restrictions and vaccines available to all, the news we are receiving from Rwanda and Uganda is very different.

Bishop Ntazinda in Kibungo writes to say: "Here the Covid-19 situation in the Country is not all that good. Our 2 archdeacons are in home lockdown, others are in area lockdown. Due to INCREASE OF CASES AND DEATHS the lockdown is extended to 10th August. We need your prayers. **Government is distributing food in town Kigali, is encouraging organizations and churches to do the same in rural areas to needy families.**"

Robert in Byumba tells us: "In Rwanda most of the Districts including our District are under total lockdown due to the wave of the COVID-19, cases of the infected persons are increasing each day but good news is that as the Diocesan staff, we are all fine and working from our respective homes, however this limits us very much to perform all the work as we wish."

It appears that in Rwanda food is being distributed by the government in the cities, but not in the rural areas where much of our work is focused. If you would like to send a donation to help us supply food to our projects please use the reference FoodSOS. Any small amount you can spare will help prevent a family from starving - death from starvation is a very real problem in Africa.

Patrick in Uganda sent a voice message, obviously suffering himself from a second Covid infection, he is now in isolation and away from his own family.

He pleaded with us not to be scared as God is in control.

Thankfully, before his re-infection he was able to arrange for food to be supplied to the sponsored children's families.

The hand knitted angels are proving very popular and we anticipate closing orders by the end of August so that they can be knitted in time for the Christmas posting in October. If you have a sponsored child and would like one to go to him/her for Christmas, please let us know as soon as possible. Donations for the angels can be sent to CHI with your letter/card for your child. Please make it clear that the donation is for an angel.

Hurry, hurry..... scarily the time for Christmas posting will soon be upon us.

LAST CALL FOR ANGELS!

SPONSORSHIP

CHI are so thankful to all those who sponsor children via the Ray of Hope sponsorship program. For £15 a month you can enable a child to access education, school lunch, books and school materials, as well as helping with health and pastoral issues. All children who come to the program are identified by their local Pastor who knows the family and their individual circumstances well. Usually only one child per family is sponsored and that child will happily share their knowledge with their siblings. Each child has only one sponsor (unless you undertake to sponsor as a group), enabling the family to pray for the sponsor who has changed their lives immeasurably.

You have a choice - they wait to be chosen.

Please visit our website and choose a child who needs your help.

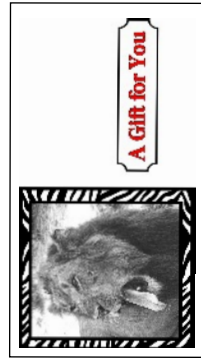

If you would like to help bring HOPE to those in need, donate by cheque payable to Christian Hope International, phone the office or visit our website www.christianhope.org.uk
