

### NEW YEAR, NEW SCHOOL?

Well, almost! Over the years Christian Hope has seen, time and time again, that educating the children is truly valued and helps a whole community. When visiting Uganda and Rwanda, the schools have often shocked us with

their leaking roofs, firewood and tools piled up in classrooms, and dirt floors harbouring foot burrowing creatures; sometimes there are no classrooms and the children have to deal with the elements, be they torrential rain or blistering heat. We have been blessed by the support from yourselves and been able to help refurbish many schools.

When Patrick sent photos of the school he went to as a child, and asked if Christian Hope might be able to help them a little, we were once again shocked at the dilapidated buildings the children were learning in! Thanks to our supporters, funds were available and we are grateful to be able to support the refurbishment of this school in Kabanda. When the children get back to school in January the next challenges will be to find fees, uniforms, materials

and lunches for them. Covid-19 has brought even greater poverty to these small villages, and the needs are high. Work has already started on the school, bringing employment to the local community. We look forward to bringing you photos of happy children in brighter, safer surroundings in the New Year.

### PLEASE NOTE ...

We will be back in the office on Tuesday 4th January. We hope you have all had a restful break and are looking forward, if a little cautiously, to 2022!

*"And she gave birth to her firstborn son; and she wrapped him in cloths, and laid Him in a manger, because there was no room at the inn." Luke 2:7*
