

# NEWS UPDATE

Yes! It's still us!

June 2022

We have re-branded! After much debate, we decided to bring the CHI 'look' into the 21<sup>st</sup> century. The latest magazine, due through your letterboxes/inboxes soon, will also show the same re-branding. The website will be following suit once we return from Rwanda. Joff has worked hard on finalising the look with a couple of supporters, Jackie and Steph, who are graphic designers, which has given this clean, new branding. Please let us know what you think!

## Off to Rwanda soon...

With the easing of Covid restrictions we are happy to say that we will be flying off to Rwanda on 8 June. It will be good to touch African soil again and to see all the changes since our last visit. For Pauline it will be her first time to Rwanda and for Joff his first trip to Africa with CHI. We are looking forward to being able to report back to you on the successes your donations have brought to the recipients. You can follow our adventures on Facebook, Instagram, and of course via our Blog on our website, the link is <https://www.christianhope.org.uk/Travel%20Blog/> Please keep us in your prayers.

## Rumaranagoga, Rwanda

During the wet season in 2021 David, the field assistant for Byumba was travelling back to the Diocese from visiting sponsored children in remote areas, when the rains became so strong he had to abandon his journey and take shelter. While sheltering he saw a church destroyed by the weather and relayed the event in his report. Obviously CHI were very interested to help this remote parish and with the Bishop's blessing, and your help, CHI were able to help fund the rebuilding of the church and a parish project, supplying seeds, seed potatoes and goats was initiated. As it is inaccessible to vehicles the locals have carried all the foundation rocks and the roofing sheets over 2 miles up steep and unmade paths. What an amazing community. We are looking forward to meeting them all whilst we are in Rwanda.
