

GOATS GALORE!

Over the past few months things have been returning to a more relaxed 'normal' in Rwanda and some of the parishes in the Kibungo region have been reaping the benefits of both the return of livestock markets and your generous donations. Bishop Ntazinda has been keeping us up to date with the new parishes where, with thanks to our generous supporters, over 330 goats have been purchased by the church for the benefit of the communities. The new owners are helped by the church to form groups to support each other in looking after their new charges, they learn to pray together and work together. They all thank God for this opportunity.

He blessed them, and their numbers greatly increased, and he did not let their herds diminish.

Psalm 107:38

The Local government authority told Diocese Staff "Please take our sincere thanks to the partner of Kibungo Diocese and tell them that in their area, they need more support like this because 83% of its citizen lives below the standards of living". Kibungo Diocese is happy for the good healthy relationship with CHI, and it is committed to continue in the same way for the glory of His name, and for the good of the people we serve in Jesus name.

Hirwa Jonasi, born On 1/1/1989 from Karambi local church- Bisagara Parish, lives with his wife and 2 children. **"I thank God for the gift of a goat because it will help me to access manure to raise agricultural output, Improve my family's nutrition, and increase my family's income, and as a result, I am going to love more my church and bear more fruits"** He says.

She said" I am **UMUHOZA Leonille**, I am 29 years old, I live with my husband and our 2 children. I love my goat so much:

- * It has given me manure to fertilize my farm in order to increase the maize and beans production for satisfying my family with food.
- * It made me feel loved by my church and their partners.
- * It will help me get money to pay for school fees for children and health insurance for family members.
