

OCTOBER

AGRICULTURE - Many of our projects link to agriculture. Not the easiest of lands to cultivate, with seasonal torrential floods, then scorching heat. We encourage the local pastors to organise support groups, and with our supporters help are able to supply seeds, manure and gardening tools.

3 OCTOBER

Join us in praying that the seasons be good to those who are trying hard to establish crops to feed their families and maybe earn a little money too.

10 OCTOBER

Give thanks for the communities who have supported each other with knowledge and practical help as they learn to farm the land and pray that they eventually become more self sufficient.

17 OCTOBER

Please pray for the local pastors who devote themselves to supporting their communities both practically and spiritually, that they will see their harvest gathered in the church as many come to know Christ as their Lord and Saviour.

24 OCTOBER

Give thanks for every individual who has provided, through their donation, a bag of seeds, a source of manure or a set of garden tools to a family in need.

31 OCTOBER

Pray for each small group formed as a result of agricultural support, that as they meet and pray together communities will be strengthened and reconciled where once there was conflict.

"It is the hard-working farmer who ought to have the first share of the crops"

PRAYER DIARY

JULY

HOPE HOUSE - The CHI base, where the phone calls are answered, correspondence read, and the knitting received and sorted. Freezing in the winter and a furnace in the summer. A place filled with God's great grace, where we pray for His guidance; a base for His work.

04 JULY

Give thanks and praise for the volunteers who carry out so many tasks tirelessly behind the scenes, the packers and sorters, the thank you letter writers, such valuable assets for such a small charity.

11 JULY

Please pray for the Trustees of Christian Hope International, they give valuable time and expertise, prayer and spiritual guidance; support much needed and freely given.

18 JULY

Praise God for the volunteers who continue to carry out the support work for our growing sponsorship program, their dedication and focus ensures that the sponsors and the children benefit equally.

25 JULY

Give thanks for the building, space and technology which enables everyone at CHI to carry out God's work. Pray for our landlord Wally who is suffering ill health at the moment.

"I can do all things through him who strengthens me."

Philippians 4:13

AUGUST

YOUTH MISSION - Bringing the children to know God, showing them how to live a life based on Jesus' teachings, is one of the major aims of Christian Hope International.

1 AUGUST

Give thanks for the pastors and teachers who work tirelessly to guide and support the youngsters as they face life's challenges.

8 AUGUST

Pray for the young people in their communities to be open to Jesus' teachings, that they may find strength and support in the words of the Bible.

15 AUGUST

Give thanks for the KOP Saturday Project where Young people are fed both nutritionally and spiritually, in a safe environment that enables them to play and simply be children for a short while as they hear God's word.

22 AUGUST

Please pray that funds will be available to further support Youth Mission through sport events, conferences and education in basic life skills.

29 AUGUST

Praise God for those whose donations enable provision for the many and varied needs of Youth Mission. From food to footballs, sewing machines to scripture materials.

"Always be joyful
Never stop praying.
Give thanks in all circumstances."

1 Thessalonians 5:16-18

SEPTEMBER

EDUCATION - The key to a successful future, whether the students are 5 years old and learning to read, 14 and learning about life, or adults learning about farming techniques.

5 SEPTEMBER

Pray for the students and teachers who face each day with empty stomachs, and give thanks for those who fund the provision of school lunches, that concentration and discipline will be improved as a result.

12 SEPTEMBER

Send prayers for the youngsters who had hoped to start vocational training but whose further education has been halted by the COVID-19 pandemic. Give them grace and patience during these unsettled times.

19 SEPTEMBER

Give thanks for our supporters who enable CHI to offer funds to repair school buildings, making life a little easier for both the teachers and students.

26 SEPTEMBER

Pray for those children whose families cannot afford the fees or materials to send them to school. Give thanks for every sponsor who enables a child to receive an education, learn God's word and have hope for a better future.

"Blessed are those who find wisdom,
Those who gain understanding."
