

## JUNE

**BUILDING** - When the Sunday offering consists of bananas, eggs and carrots, many churches and church run schools fall into disrepair due to a lack of funds. Your donations enable refurbishment and renovation

**5 JUNE** Give thanks to God for all the building projects that have been completed in recent months. Bless these buildings and all the activities within them.

**12 JUNE** Praise God for the toilet blocks that have been refurbished or rebuilt, providing safe facilities for young and old to use.

**19 JUNE** Give praise and thanks to the Lord for all who have donated to the building fund enabling building projects to be undertaken, giving hope to communities and providing work for many in need.

**26 JUNE** Pray for all the local communities as they unite to build and restore their churches and schools. May working together bring reconciliation and a feeling of pride in their neighbourhood.

*Jesus is  
'the stone you builders rejected,  
which has become the cornerstone.'*  
*Acts 4:11*

# PRAYER DIARY

## MARCH

**HEALTH INSURANCE**- Is available in Rwanda for just £3 per person per year, but this is still beyond the reach of so many who live in poverty. Providing families with the ability to access healthcare is life changing. Better health improves the parents ability to provide for their families, and the children's ability to learn.

**06 MARCH** Please pray for all those whose lives are still being affected by Covid, especially those who do not have health insurance, and who may not yet have access to vaccinations.

**13 MARCH** Give thanks for all those who have generously provided health insurance for the sponsored children's families in Rwanda, and contributed to the health fund in Uganda.

**20 MARCH** Please pray for God's protection on the many families who are unable to pay the £3 per person / per year for health insurance.

**27 MARCH** Give thanks for all who work in the medical profession in Rwanda and Uganda, especially those linked to our projects who care for those in need. Please pray for God's protection on them all.

*Lord, by such things people live;  
And my spirit finds life in them too.  
You restored me to health and let me live.*  
*Isaiah 38:16*

## APRIL

**MEDICINES AND MOSQUITO NETS** - April and October see a huge increase in cases of malaria which, despite being easily preventable and treatable, claims many lives every year, especially those of young children under 5. Providing church run clinics with mosquito nets and medicines for malaria and other common ailments saves lives daily.

3 APRIL

Give thanks for the progress of the vaccine roll out in Rwanda and Uganda and pray for the continued provision and take up.

10 APRIL

Give thanks to the Lord, that through the generosity of others, mosquito nets can be provided to protect against the deadly disease of malaria.

17 APRIL

As you spend time today rejoicing and celebrating Easter and all that means, remember all those who will be rejoicing and praising Him in Rwanda and Uganda. He is a mighty God uniting us through our faith in Him.

24 APRIL

Pray for wisdom for those who distribute the mosquito nets, may the families who receive them come to know that His protection will always surround them.

'Nevertheless, I will bring health and healing to it;  
I will heal my people  
And will let them enjoy abundant peace and security.'

Jeremiah 33:6

## MAY

**LIVESTOCK** - The benefits of livestock for families are life changing. Manure for better crops, young to be sold to provide basic needs, the first steps on the road to self-sufficiency which in turn restores hope and a sense of self worth.

01 MAY

Give thank for the gifts of livestock and the many benefits these animals provide for the recipient families.

08 MAY

Pray for the safety of all livestock, that they remain healthy and bless many families with their offspring.

15 MAY

Give thanks for the many ways livestock can benefit and unite communities as recipients come together to support each other and pray together.

22 MAY

Pray for the Gifts of Kindness. That for every livestock gift given to a loved one here, a family in Rwanda or Uganda will be richly blessed.

29 MAY

Give thanks for the manure to fertilise the crops. Pray for a good yield to feed hungry families and give praise for His wondrous creation.

He blessed them, and their numbers greatly increased,  
and he did not let their herds diminish.

Psalm 107:38
