

PRAYER DIARY

MARCH

LIVESTOCK - The provision of livestock enhances the relative wealth of a family, giving them fertiliser and a means of earning money from the sale of offspring. The church provides support groups for the families where they learn about husbandry, God's love for them and how to pray and give thanks for their blessings.

02 MARCH

Give thanks for every donation that provides a potentially life changing gift.

09 MARCH

Pray for the new beneficiaries of livestock, that they may benefit from the support of the church, learning about the animals and coming to know Jesus.

16 MARCH

Give thanks for the livestock provided through the Gift Shop.

23 MARCH

Pray for those rearing livestock that they do not have to negotiate the effects of climate change on their animal stocks and their fodder.

30 MARCH

Pray for a generous spirit so that those who are blessed with livestock will bless others.

Then God said "Let us make mankind in our image, in our likeness, so that they may rule over the fish in the sea and the birds in the air, over the livestock and all the wild animals.

Genesis 1:26

APRIL

Genocide Memorial Day - Rwanda - *Kwibuka* (to remember in Kinyarwandan) is marked annually, across the country, with ceremonies and candlelight vigils to honour the victims, support the survivors and promote unity. The focus is on preserving the memory, reconciliation and preventing a future occurrence.

06 APRIL

Give thanks for the reconciliation work being supported through the church

13 APRIL

Pray for all those who are struggling to find their way in the 'new' Rwanda.

20 APRIL

Pray that the Lord would raise up people of faith and integrity to serve in positions of authority in government and communities.

27 APRIL

Pray for all those who are re-entering their communities, having spent up to 30 years in prison for crimes committed during the genocide, that they may find forgiveness and acceptance.

Jesus said: A new command I give you: Love one another. As I have loved you, so you must love one another.

John 13:34

MAY

SOLAR - Solar lamps provided through your support have given many families more freedom and health benefits. They are now able to cook, read their bibles and do their homework, after the sun sets at 7 or early in the morning before sunrise (7am), without the use of costly kerosene lamps, which pose a fire risk and produce fumes which damage eyes and lungs. A true blessing.

04 MAY

Praise God for every lamp provided, shining God's love into the lives of families living in poverty.

11 MAY

Give thanks for all the solar lamps purchased through the Gift Shop.

18 MAY

Pray that more funds become available to enable more families to be blessed with solar lighting.

25 MAY

Pray that the Christians would, by word and deed, shine God's light into the lives of those who do not yet know him.

*Your word is a lamp to my feet,
a light on my path.*

JUNE

SPONSORSHIP - One of the most valuable gifts you could give a child is the right to education, which is exactly what the CHI sponsorship program provides. Education is the stepping stone out of poverty to a life of hope. Coupled with God's blessings, sponsorship gives a child all the tools they might need to improve their lives and that of their family and community.

01 JUNE

Pray for every child unable to attend school due to poverty.

08 JUNE

Give thanks for the children that have been sponsored and completed their education.

15 JUNE

Pray that we may reach more potential sponsors and enable more children to join the sponsorship projects.

22 JUNE

Give thanks for the prayer, financial support and love given to the sponsored children by their sponsors.

29 JUNE

Give thanks for the seeds of faith sown into the lives of pupils through the sponsorship project.

This is to my Father's glory, that you bear much fruit showing yourselves to be my disciples.
